To Whom it may concern,  
Earl Riley and Verlene Riley  
are the parties who has  
objection to this Motion  
of Americas Servicing Co.  
has filed to raise the  
monthly payment to 1,919.87  
The reason is because we can't  
afford. They haven't showed  
us any proof of the Escrow  
analysis or what it's for.

(P.S.) From the first day going to  
the Bankruptcy Attorney told  
us that our Bankruptcy payment  
couldn't go over 1200.00 dollars  
per month. and we'll paying over  
almost 1400.00 hundred a month  
how can we live, we can't  
afford our payment up anymore  
on anything; This is outrageous

Thank you

Earl M. Riley
